Key objective of conclave

- 1 Showcase ability of conducting PT program by PTP's and Producing RM by RMP's
- 2 Common platform for PTP's/ RMP's/ Regulators/ Stakeholders to place ideas, program etc.
- 3 Update about PTP and RMP

Benefits of Accreditation

Accreditation provides confidence to the users (such as Laboratories, regulatory bodies, NABL assessors) of PT schemes / RM / CRMs in such a way that the PT schemes being operated & RM/CRMs being produced are in accordance with specified technical and management system requirements. Formal recognition of competence of CABs by an Accreditation body in accordance with international criteria has many advantages:

- Potential increase in business due to enhanced customer confidence and satisfaction.
- Better control of CABs operations and feedback to CABs as to whether they have sound Quality Assurance System and are technically competent.
- Increase of confidence in PT schemes / RM / CRMs and personnel performing work.
- Customers can search and identify the CABs accredited by NABL for their specific requirements from the Directory of Accredited CABs.
